Riesling Spätlese #10

93+

POINTS

April 2017

"...super clear, and purely mineral and stony on the nose, with bright fruit aromas and flinty notes. On the palate, this is a lush, precise and elegant Riesling full of grip, concentration and structure. The finish is super intense and juicy, very well structured and salty, so extremely stimulating. This is a mouthful of perfectly ripe, piquant and racy Riesling, and its aging potential is enormous."
